Intending tenderers are rsquested to apply to the undersigned for copies of details. The last date for receipt of tenders is 1st June 1953.

192

Notification dated 12th May 1953.

No. G.N. 17. Sealed tenders will be received in the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 3 P.M. on 12th June 1953, for the supply of the following, the terms of delivery being Ex-our C.P.S. Central Stores/f.o.r., Bangalore.

The tenderers should quote their best billing prices which should be firm for a period of one month from the due date of the tender. The rates should be quoted in figures and words. The earliest period within which delivery would be effected may be specified in the tender. Full specifications regarding make, etc., should be specified in the tender along with the manufacturer's name, etc., complete. Samples wherever possible should be sent for inspection. The quantities in each item to be purchased may be varied according to actual requirements at the time of placing orders.

No enhancement of rates for whatever causes will be allowed when once the quotation is accepted and order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to five per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in this department for local purchases.

The tenders should be superscribed as "Tender for the supply of Porcelain cutouts 30 amps, Adhesive and Cambric tapes of s zes, to be opened on 13th June 1953."

1	Porcelain cutouts 30 amps.	10 gross
